Backend / DevOps	

ABOUT ME

Passionate **iOS Developer** with 4+ years of professional experience designing and delivering mobile applications for enterprise clients worldwide. Bachelor's degree in **Computer Science for Digital Communication** from the Università degli Studi di Milano (2025). Deep enthusiasm for the Apple ecosystem, IoT, backend infrastructure, and open-source technologies. Active science communicator and continuous learner, eager to tackle new engineering challenges in dynamic product and consulting environments.

WORK EXPERIENCE

iOS Developer

Videmme Consulting – Engineering & Design

Sep 2022 – Present

Milano, Italy

Permanent · Intermediate · ICT / Electronics

- Developed and maintained **multiple enterprise-grade mobile applications** for clients across Europe and beyond, covering the complete iOS development lifecycle – from architecture to App Store delivery.
- Implemented features in **Swift** and **Objective-C**; adopted **SwiftUI** progressively alongside **UIKit** to modernise existing codebases.
- Ensured software quality through **unit and UI testing**, code reviews, and adherence to clean-code principles.
- Collaborated in **Agile/Scrum** cross-functional teams, managing backlogs and sprint ceremonies via **Jira**.
- Contributed to CI/CD pipeline maintenance and build automation using **Git** branching strategies.

Swift	SwiftUI	UIKit	Obj-C	Xcode	Git	Jira	Agile/Scrum
-------	---------	-------	-------	-------	-----	------	-------------

EDUCATION

B.Sc. Informatica per la Comunicazione Digitale

Università degli Studi di Milano

2015 – Apr 2025

- Facoltà di Scienze e Tecnologie · Classe L-31
- Voto finale: **88/110**
- Tesi: *Streaming decentralizzato di contenuti audiovisivi*
- Relatore: Prof. Andrea Trentini

Diploma Tecnico – Informatica e Telecomunicazioni

Scuola Paritaria Milano S. Freud

2015

Milano, Italy

Indirizzo Informatica · Settore Tecnologico

CONFERENCES & EVENTS

Swift Heroes

AVAILABILITY

📍 Varese · Milano · Lombardia · Italy

🚗 Driving licence B

🏍️ Driving licence A

✈️ Open to frequent travel

🌐 Relocation within Europe

Annual Swift & iOS Developer Conference

📅 2023

📍 Torino, Italy

Attended Italy's premier Swift conference featuring international speakers on **SwiftUI**, **Swift Concurrency**, server-side Swift, and advanced iOS design patterns.

Apple WWDC 2023

Apple Worldwide Developers Conference – *In-Person Attendee*

📅 2023

📍 Apple Park, Cupertino CA, USA

One of the select developers invited to attend **Apple Park** in person. Participated in hands-on labs and sessions on iOS 17, visionOS, SwiftUI advances, Swift concurrency, and Xcode improvements.

Droidcon Turin

Android Italian Developer Conference

📅 2018

📍 Torino, Italy

VOLUNTEERING

Science Communicator

Società Astronomica G.V. Schiaparelli – Volunteer STEM populariser, promoting astronomy and science education to the general public, schools, and enthusiast communities.
